The Wheeling and Lake Eric Road to be Built to Martin's Ferry.

TRAGIC DEATH OF AN OLD WOMAN.

She is Found in a Dying Condition Unattended in Her House.

NEWSY NOTES FROM TOWNS AROUND

ISPECIAL TELEGRAM TO THE DISPATCH. BELLAIRE, March 25 .- Mr. A. C. Wilson, chief engineer of the Wheeling and Lake Erie road, says that road has definitely decided to extend the road to Martin's Ferry and thence on to this place where it will connect with the Baltimore and Ohio road. He says the road would be running to Martin's Ferry to-day had not the citizens there treated the project coldly. The cost of building the road from Portland to Bellaire would be \$452,000, while the road could be run via St. Clairesville for \$100, 000 less, though it would be a longer route. This place is anxious to have the road come through St. Clairsville, and will give \$50,-000 to the venture, but the road officials prefer the Martin's Ferry route if any en-couragement whatever is offered. Contracts for the latter route will be let within 30 days, and the road will be completed to this city by September next or perhaps a few months later in the fall.

Rheumatism,

BEING due to the presence of uric acid in the blood, is most effectually cured by the use of Ayer's Sarsaparilla. Be sure you get Ayer's and no other, and take it till the poisonous acid is thoroughly expelled from the system. We challenge attention to this testimony: -

"About two years ago, after suffering for nearly two years from rheumatic gout, being able to walk only with great discomfort, and having tried various discomfort, and having tried various remedies, including mineral waters, without relief, I saw by an advertise-ment in a Chicago paper that a man had been relieved of this distressing complaint, after long suffering, by taking Ayer's Sarsaparilla. I then decided to make a trial of this medicine, and took it regularly for eight months, and am pleased to state that it has effected a complete cure. I have since had no return of the disease."—Mrs. R. Irving Dodge, 110 West 125th st., New York.

"One year ago I was taken ill with one year ago I was taken in with inflammatory rheumatism, being confined to my house six months. I came out of the sickness very much debilitated, with no appetite, and my system disordered in every way. I commenced using Ayer's Sarsaparilla and began to improve at ores, caling in strength. improve at once, gaining in strength and soon recovering my usual health. I cannot say too much in praise of this well-known medicine."—Mrs. L. A. Stark, Nashua, N. H.
